REMARKS

Applicants have amended claim 1 to correct a typographical error and to restrict the claim to a single range for the antiwear additive.

Claim 4 was amended to depend from claim 1.

Claim 9 was amended to depend from claim 6.

The Examiner rejected claims 1, 4, 9, 11, 12 and 14 under 35 USC 112 second paragraph. Applicants deem the foregoing amendments to obviate that rejection.

The Examiner has indicated that claims 6 and 13 are allowable. Consequently applicants believe that all the claims are now in condition for allowance and they respectfully request the Examiner to pass the case to issue.

Respectfully submitted,
